

June 1, 2020

Dear Friends,

We hope you and your family are doing well during these extraordinary times. As the 2019-2020 academic year comes to an end, Durham Tech is more focused than ever on the welfare and education of our students. Your investment in the **Emergency Financial Assistance Fund** is more important than ever.

In partnership with Durham County Cooperative Extension, we have also revamped our food assistance model – now providing bags of groceries, frozen family meals, personal hygiene items, and baby care supplies.

While we're proud to have supported so many students thus far, there are more that need us. Your contribution to the Emergency Financial Assistance Fund will make a direct impact on our most vulnerable students by alleviating the stress of technology and food insecurities so they can focus on their coursework.

Make a difference in the life of a student with your gift today, and let's continue to forge great futures together.

Please renew your support for Durham Tech by June 30.

With gratitude,

Melissa Chappell, Executive Director,
Durham Tech Foundation
