“Durham Tech is a first choice for many students; but for others, it is a second chance.”

**William G. Ingram / President, Durham Tech
2019 Commencement Ceremony**

For almost 60 years, Durham Tech has supported students on their way to a better life. More than 1,000 students graduated this year with degrees, diplomas, certificates, and high school equivalency credentials.

Your previous contribution to Durham Tech made an immediate impact on the growth and development of our graduates. We are tremendously grateful.

Your renewed annual gift will directly support talent development for tomorrow's workforce and economic opportunities for students.

Together, we will make the difference.
