

September 20, 2021

Dear Friend,

With your help, last year we supported hundreds of students and their families with technology, food, and other emergency assistance; launched an Equity and Inclusion Fund; awarded more scholarships than ever; and put students into jobs through our Back-to-Work Initiative. Despite the challenges of COVID-19, we remain committed to providing greater economic and social mobility for students as well as a diverse talent pipeline for our community partners.

Our work continues. The College's 2021-2026 strategic plan calls for bold ideas and strategies that will lead to equitable outcomes for all students and expanded relationships with community education and industry partners in Durham and Orange counties.

This year, Durham Tech celebrates its 60th anniversary. At this critical moment in time, we are invested deeply in aligning student learning outcomes with the aspirations of our graduates and the needs of a diverse workforce, offering excellent coaching and mentoring programs, partnering more effectively with our community stakeholders, and creating teaching/learning spaces that are student-centered, welcoming, and designed to prepare a highly skilled workforce.

Gifts of every size from alumni, friends, and community partners make an immediate impact and will be essential to the success of these important initiatives.

Please affirm your confidence in our work by making a gift to Durham Tech today. **Help us make an impact.** As a special thank you, enjoy the enclosed decal and show your Durham Tech pride!

With gratitude,

  
J.B. Buxton, President  
Durham Tech

  
Melissa Chappell, Executive Director  
Durham Tech Foundation
