

# FORGE GREAT FUTURES

## The Campaign for DURHAM TECH

April 30, 2019

Dear Friend,

Thank you for your continued support of Durham Technical Community College. Your past annual contributions have enabled us to become and stay an educational pillar in the community. It has been our mission since we opened in 1961 to champion learning and success, deliver outstanding teaching and learning, and develop career skills for today and tomorrow.

Exciting accomplishments are happening at Durham Tech, thanks in large part to support from alumni and friends. Today marks a new chapter in our history as we launch our ambitious **Forge Great Futures** major gifts campaign to raise \$5 million for workforce development and student support.

Join us as we provide more educational and economic opportunities to students through scholarships and internships and develop more technologically advanced classrooms and learning spaces to create an exceptional educational experience.

We need your support to make these goals possible and to reach our campaign goal of \$5 million. Your gift, at any amount, will make a difference in our community. Be a part of this ambitious effort by making a contribution today, and help us forge great futures for our students and our beloved institution.

William G. Ingram / President

### \$5 million Our Goal

### \$3 million

Talent Development for  
Tomorrow's Workforce

### \$2 million

Economic Opportunity  
for Students

#### OUR PROGRESS

Help us reach 100%!

Yes,
